## Our Staffing Services

At Gotham, our mission is to redefine IT staffing excellence by leveraging our in-house technical expertise to qualify and deliver top-tier talent with unmatched precision and speed.

From the moment a client requests a candidate to the time they are placed, we significantly reduce the wait, delivering tailored solutions efficiently.

## Streamlining the Hiring Process

- Interview-to-hire ratio of 3:1—two times shorter than the industry's typical 6:1
- Slashing time to fill positions by 40%
- Cutting resume volume by 70% — saving you time and money

## Staffing Expertise

We offer proactive communication and collaboration to **align staffing solutions** with evolving client needs.

- AI/Machine Learning
- Application Design & Development
- Big Data Engineering
